**CSA Terms of Agreement**

I appreciate locally grown produce and want to ensure that it remains available in the Puget Sound area by becoming a shareholder in Dog Mountain Farm Poultry Community Supported Agriculture (CSA). I understand that I am not entitled to substitutions, but may make special requests for additional product in my weekly delivery. The farmers, David and Cindy Krepky, will do their best to provide the product they propose at the times they estimate. However, as a shareholder in both the bounty and the risk, I understand that nature ultimately decides what I will receive and when I will receive it. I understand there are no refunds, although if I can find a replacement I may transfer my share to another party.
